AUTHORIZATION

By providing a credit card at any time during the Term, Occupant has authorized Owner to automatically charge or debit the credit/debit card referenced in Summary Provision "F" of the Terms and Conditions section of the Rental Agreement (which is owned by the Occupant or upon which Occupant has authority to charge) on the Renewal Date of each month, or as soon as reasonably practicable thereafter, the amount stated in the Terms and Conditions as Rent, for each and every month of the Term. This authorization shall continue and include any increases in Rent and other charges assessed to the Occupant. In any circumstance, in the event Occupant terminates this authorization or the Rental Agreement owing any Rent, or other charges due to Owner, Owner may charge the credit card listed any sum due and owing upon termination. The authorization to charge Rent or other charges shall survive if any sums are due and owing at the time of the termination of the charge/debit authorization or the termination of the Rental Agreement. No credit card payments are accepted once Occupant is Thirty One (31) days late, including via the website. It is Occupant's responsibility to notify Owner of any new or updated account information if the credit card information changes (including updating an expiration date on a credit card.) Occupant shall be charged late fees and other Default charges if the credit card payment is not approved by Occupant's bank/credit card provider.

To the extent there is a conflict between the terms and conditions of the Self-Service Storage Rental Agreement and this Addendum, to the extent possible, the terms of this Addendum shall control.
